STATE DIRECTOR COMMENTS

I would like to wish all American Legion Riders a Merry Christmas and Happy New Year may it be a safe holiday. While its time to plan all of your events for next year. Before you know it spring will be here.

I hope next year will be another growing year for the riders and the legions. We have another chapter, that sign on in October which places us at 66 for the close of 08. We have some ideas that should help our organization run smoother. And with the help of Mike Miller, internal affairs representative for the legion and our go to man, we hope to bring the Legion and riders closer.

Our first meeting for 09 is in January,2009. It will be the second weekend of the month and schedule at 1 PM. At the meeting we will install new officers, discuss the state rally, and several new issues for the riders will be facing in 2009. I would like this first meeting to be ALCOHOL free. So am requesting that we not bring any alcohol to our general meeting.

So this everyone has a safe and happy holiday this season.

Thanks for your support and help.

ASSISTANT STATE DIRECTOR

I would like to thank all of our members for a good year and all of our 2008 state officers for doing a good job working together on the many issues that we faced. We are still having growing pains and those pains will continue for years to come, but we are gaining at a rapid pace and we all need to keep working together. If any of you have issues that need addressed, e-mail your questions to both TJ and I and one of us will get back to you. Lets make 2009 a great year and set a foundation for years to come.

COMMUNICATIONS

The new website is nearing 7,000 hits; we're being well represented in a professional and appealing medium. I would like to make sure that I'm not missing any ALR members that are no longer with us and ask all of you to remember who they are and let me know so that I can add them to our 'In Memory Of' page. I need their name, branch of service unless they were Aux or SAL. I also need to know what year we lost them. Please start submitting your upcoming events for the coming year to our 'Events' section so that chapters all over Indiana will know about them and may choose to participate.

I would like every communications officer in Indiana to get a hold of me either by email or phone as soon as possible to set up a communications channel. Email address and phone number listed below.

I send out regular ride emails with every ride found in the state to over a thousand riders, I include ALR rides as well. If I get an ALR only ride, I send it out to ALR only. Our presence at these other rides is important as well. It helps get exposure for the ALR and helps build membership at the same time.
