FROM THE STATE DIRECTOR

Hello Indiana Riders,

The riding season is upon us and I am sure you are all very busy planning and executing your riding events. Hopefully you are also finding time to help your "family" succeed at all the Legion functions. Our State Rally at Jonesboro is very soon now. It is my hope we have the best year yet and I will be able to see and chat with many of you. Pack your bike and join us for the weekend.

We will be meeting in the A.M. at the July Convention meeting. Please attend the **Legion Ceremony at 1 P.M. our presence is important!** On our agenda will be the first round of nominations for 2011 State ALR officers.

We will also be reading the bylaws changes that were suggested at the April Meeting (see minutes attached).

So that we get on track with our State Rally and allow the "Host Chapter" time to properly plan we will ask interested Directors, who are interested in

being on the committee, to set this next years party up to call Jim Hamilton before the July meeting. That committee will start taking applications and make a decision to be announced at the October meeting. Thank you for your commitment to making the Indiana State American Legion Riders the largest and best in the Nation.

Big Jim

ALR State Director 2010

FINANCE / MEMBERSHIP

We are growing! As of this writing we are approaching 2800 members statewide. Your efforts to increase our membership have been outstanding.

I would also remind all the Chapters that our State dues are payable in the same time frame as our Legion dues. 2011 dues should be paid by the end of the year and your efforts to get this done will really be appreciated.

I will not be running for the Treasurer / Membership for 2011 and would encourage anyone interested in the position to contact me regarding the duties and obligations.

Mike Fathman

ALR State Treasurer / Membership 2010

CHAPLAIN

Hello Indiana ALR, Well we finally made it through winter season and saw a pretty beautiful April. As I write this May hasn't been so favorable, but we know that the GREAT weather is coming. This is the time of year when bike blessings are occurring, the first poker runs are scheduled and general all around camaraderie starts to get into everyone's blood. Please take this time to participate in some other chapter than your own's event. It creates good will. Heck, maybe they will attend your event and you might make some new friends. Also help chapters that are just starting up or if you know of one having an issues. Assistance from another sometimes is all that is required to help a fledgling over the hump to success. Lastly, enjoy the heart of riding season, but be careful out there. Remember never rely on the fact that someone else can see you.

As always with deep respect,

Brother Bo McKie
